

**Amendments to the Drawings:**

The attached sheet of drawings includes changes to Fig. 5. This sheet, which includes Fig. 5 replaces the original sheet including Fig. 5.

It should be noted that the only two changes are indicated in red on the annotated sheet. These are the removal of the legend and the turning of the indicated reference number inward and away from the edge of the target. The remaining changes consist of increasing the font size of the drawing and all elements therein. These changes have not been indicated in red but are obvious to the viewer due to the size difference.
